Goals of the Sacred Heart Schools in the United States and Canada

- To educate to a personal and active faith in God
- To educate to a deep respect for intellectual values
- To educate to a social awareness which impels to action
- To educate to the building of community as a Christian value
- To educate to a personal growth in an atmosphere of wise freedom

School

Founded in 1881, Duchesne Academy of the Sacred Heart is a Catholic, independent, college-preparatory school dedicated to providing young women with a rigorous and supportive atmosphere in which to best develop their moral, spiritual and intellectual lives. It is one of 24 institutions comprising the Network of Sacred Heart Schools in the United States and Canada.

Accreditation

Duchesne Academy is accredited by the Nebraska State Department of Education and AdvancED™. Duchesne Academy is a member of the National Association of College Admission Counselors and the College Board. In 1996 and 2005, Duchesne Academy was named a Blue Ribbon School by the U.S. Department of Education.

Personnel

Head of School - Meg Brudney
Principal - Laura Hickman, Ed.D
Assistant Principal - Eric Krakowski
College Counselor - Frances Swanson

Faculty

There are 36 full and 4 part-time faculty members.

Students/faculty ratio: 9 to 1.

Enrollment

- Grades 9-12: 331 students
- Class of 2019: 76 students

College Admission Test Scores for the Class of 2018

- ACT average composite - 27

GPA Distribution for the Class of 2019

GPA	Number of Observations	GPA	Number of Observations
A+/A	4.0 94	B	3.0 84 .
A-	3.9 93	B-	2.9 83 ..
A-	3.8 92	B-	2.8 82
A-	3.7 91	B-	2.7 81
A-	3.6 90	B-	2.6 80
B+	3.5 89 ..	C+	2.5-2.3 79-77 .

B	3.1 85 .	D	1.2-1.1 66-65

Information based on six semesters.

Profile 2018-2019

Graduation Requirements

Twenty-six units of class work which must include: English 4, Social Studies 4, Theology 4, Math 4, Science 4, Foreign Language 2, Fine Arts 2, P. E. 2. The entire curriculum is college preparatory.

Advanced Placement Courses

Calculus, Statistics, Computer Science Principles, Physics, Chemistry, US History, Modern European History, American Government, Psychology, English Literature and Spanish.

Honors Courses

Algebra/Geometry I, Geometry, Algebra II, Pre-Calculus, Calculus III, Biology, Chemistry, Biomedical Physiology, Economics, American Literature III and English IV.

Dual Enrollment

Students may elect to earn college credit for Calculus I, II through Creighton University; AP US History and Spanish IV through Nebraska Wesleyan University.

Community Service Program

All students are required to complete 70 hours of community service for graduation. Many are involved in community service in various agencies in Omaha, and some participate in the Network of Sacred Heart Schools service projects. Seventy percent of the requirement for community service is direct person-to-person involvement in agencies which serve a marginalized population.

Exchange Program

The Sacred Heart Exchange Program permits students to study for four weeks at a Sacred Heart school in another state or foreign country. It provides a unique opportunity to broaden horizons, both academically and socially.

Special Awards

Barat Service is given to those students who have made service a part of their lives and have generously shared time and talent. **Très Bien** recognizes students who raise their averages in a class at least five points, while maintaining all other class averages. **Mes Amis Award** is given to students who continually reach out to others in their class and in the school community. As a result, they strengthen Duchesne Academy. Prizes are given in class for high academic achievement.

Placement in Class

Duchesne Academy has a strong academic program and a small senior class. Because of the small, homogeneous nature of our student body, we do not rank students. All subjects for which credit is given are included in the average. Honors and AP courses are given three percentage points more credit. A student's performance in relation to her class is indicated by a frequency distribution instead of class rank. Because we only admit students able to do college-preparatory work and because classes are small, there is generally a small range in students' grade averages.

STEAM

STEAM is an interdisciplinary and applied approach to educating students across multiple disciplines that include **Science, Technology, Engineering, Art** and **Math**. Our students develop skills acquired through these disciplines, including intellectual, artistic, communication, and leadership skills, to solve global and humanitarian challenges that face our world. Our hands-on approach STEAM cultivates inquiry, design skills, and creativity.
